PC-25474
ARREST WARRANT AFFIDAVIT

COUNTY OF TARRANT

TIME 1:03
BY [Signature] DEPUTY

BEFORE ME, the undersigned authority, on this day personally appeared the undersigned affiant, who after being by me duly sworn on oath deposes and says: My name is **Officer JC Williams #3603**, of the **Fort Worth Police Department Special Operations Division** and I have good reason to believe and do believe that on or about the **19th day of December, 2011**, in Tarrant County, Texas, **Bud Pollard Dillard W/M 05/22/1990** did then and there commit the offense of **DELIVERY OF C/S PG3 >28GM <200GM, HSC 481.114 (Felony)** in that he did then and there intentionally and knowingly deliver alprazolam, in the form of pills, to your affiant Fort Worth Police Officer **JC Williams #3603**, including any adulterants and dilutants.

My belief is based upon the following facts and information:

1. That your affiant, **Officer JC Williams #3603**, has been a Fort Worth Police Officer for over five (5) years and is currently assigned to the Special Operations Division, Narcotic Section. Your affiant is currently assigned as a Narcotics Investigator with the Fort Worth Police Department Special Operations Division Narcotics Unit. During your affiant's career as a peace officer, your affiant has gained experience and training in the detection, investigation, and apprehension of suspects who possess, distribute, or manufacture narcotics. Your affiant has participated in all of the normal methods of investigation, including but not limited to, electronic and visual surveillance, general questioning of suspects, victims, and witnesses, the use of search warrants, the use of confidential informants, and the use of undercover officers/agents.
2. That during the month of September, 2011, FWPd Narcotics Section received a narcotics complaint from a residence that lived on the 3200 block of Waits Ave that informed our Section that he/she has seen what they have believed to be narcotic activity from a house on their block, but did not know the address.
3. That during the month of November, 2011, I was acting in undercover capacity and met a subject identified as Scott Lee Anderson. During several conversations with this subject during this time, I was able to obtain information that one of his friends named "Patrick Burke" supplied him with alprazolam pills and to several other students at TCU.
4. That on the 17th day of November, 2011, your affiant was contacted by a confidential informant and was informed that "Patrick" (later identified as Earl Patrick Burke W/M 01/23/1991) was selling "bars" (street terminology for alprazolam or xanax) from his residence at 3212 Waits Ave, Fort Worth, Tarrant County, Texas to college students at Texas Christian University.
5. That on the 17th day of November, 2011, your affiant was introduced to Burke at his

residence at 3212 Waits Ave. and successfully purchased a substance, which was later laboratory tested and confirmed to be alprazolam.

6. That on the 28th day of November, 2011, I ran the name "Patrick Burke" through the FWPD and DPS databases. One of the many results came back to a "Earl Patrick Burke W/M 12/31/1991, TX DL#24105340. I looked up this DL photo from this subject and confirmed that this was the same person from whom your affiant purchased the alprazolam on 11-17-11.
7. That during the month of December, I was informed by a confidential informant that Burke had received a package of approximately 250 pills of alprazolam.
8. That on the 16th day of December, 2011, I was contacted by Burke, who told me that he wanted to sell the pills to me that day. I informed him that I was not able to pick them up that day. Burke said that he and his room mates were going to Houston for the night to go to a football game. Burke said that he would stay in Houston for the holidays, but that his room mates would be back in town the next day. Burke said that he would leave the pills at his house and would arrange for me to meet with one of his room mates to buy them. During this conversation, I confirmed that I was buying 250 alprazolam pills.
9. That on the 29th day of December, 2011, I contacted Burke via cell phone and confirmed that his room mate was still able to sell me the purported alprazolam. At approximately, 4:56pm, I received several text messages from Burke who sent me a phone number (682-225-0102) and said that this was the number for his room mate "Bud", who would sell me that alprazolam for \$775.00. Shortly after this, I pulled up to the residence of 3212 Waits Ave, Fort Worth, Tarrant County, TX. 76109 and contacted "Bud" (later identified as Bud Pollard Dillard W/M 5/22/90). I walked up to the front door. Dillard answered the door and allowed me to enter. He introduced himself as "Bud". As we walked in, Dillard handed me a yellow envelope. Inside the envelope was a heat sealed plastic bag containing white rectangular pills, which through training and experience, I believed to be alprazolam (ITEM #1). I then handed Dillard \$775.00 of US Currency. After a short conversation, I then left this location. Once I left this location, I called Burke and thanked him for "hooking me up". Burke said, "Good Good".
10. That on the 29th day of December, 2011, I ran the phone number that I received for Dillard (682-225-0102) through the FWPD database. The phone number came back to a Bud Pollard Dillard W/M 5/22/1990, DL#23206086. I looked up this DL photo from this subject and confirmed that this was the same person from whom your affiant purchased Item #1. *4111-300*
11. That on the ~~29~~^{31st} day of December, 2011, Jason Allison, a Chemist with the Fort Worth Police Crime Lab, conducted an analysis of Item #1. The analysis was conducted under lab# 11-07408 and revealed that ITEM 1 contained 91.45 GM of alprazolam.

12. That your affiant documented the details of this offense under Fort Worth Police report number 11-129944.

WHEREFORE, I request that an arrest warrant be issued for the suspect, **Bud Pollard Dillard W/M 05/22/1990** hereinbefore designated according to the laws of this State.

WITNESS my signature this 7th day of February, 2012.
